

B box solar products Taiwan

What is a solar B-box?

The roller shade with cassette and guides that runs on renewable energy. Bandalux has launched its new Solar B-Box. It is an outdoor blind that has a built-in solar panel, a battery, and a motor that runs completely on renewable energy from the Sun. The solar-powered B-BOX does not need electrical wiring.

Does a solar-powered B-box need electrical wiring?

The solar-powered B-BOX does not need electrical wiring. The solar panel captures the sunlight and turns it into electric power to load the motor's battery, which makes the blind 100% autonomous. This new solution is ideal for any type of home, as it reduces reliance on electric power and makes it possible to cut down on electricity bills.

What is bPower50 solar home system?

bPower50 is a versatile 'Plug and Play' Solar Home System, designed for the rural off-grid customers typically using candles and kerosene lamps. Once connected, the system is ready to power lights, radios and TVs as well as charge phones for households and micro-businesses.
