Where can I get electricity in Bermuda?

Electricity for residential - mostly at 120V - heating, lighting, cooking and cooling is provided exclusively in Bermuda by the Bermuda Electric Light Company Limited (BELCO) at 27 Serpentine Road, Pembroke HM 07, Bermuda. Telephone (441) 295 5111. Fax (441) 292 8975.

Who is Bermuda Engineering Company Limited?

Bermuda Engineering Company Limited was founded in 1935 by Gordon Hamilton Burland, a Bermudian renewable energy pioneer and engineer. Back then, he built the first clean energy microgrid in Bermuda and demonstrated bold energy leadership for his time. In 2010 the company was reinvigorated and has been operating as BE Solar since.

Why is Bermuda so dependent on fossil fuels?

Historically like other modern developed countries around the world, Bermuda has depended on fossil fuel for energy production for electricity, heating, cooling and transportation.

Bermuda's electrical grid ensures efficient power distribution with high accessibility and quick restoration post-disasters, but it faces challenges with high costs and investment needs for renewable energy solutions.
