1 review and 2 photos of BRIGHT LIFE SOLAR "We contracted with them through McCormack Roofing, Construction & Energy Solutions and did a new roof and solar as one job. We wanted enough panels to make a difference on our electric bills and it accomplished that- we pay \$20-30 per month for electricity now even running the AC and pool pump a lot during summer.

Bright Life Solar reviews and complaints, reviews of the brands of solar panels they sell, their locations and the cost of installations reported to us for 2024. Get the best deal.
