

## Colombia kathea energy

What does kathea energy do?

This capability was extended to energy solutions and services in 2016, growing from a division to its own focused business called Kathea Energy. Kathea Energy focusses on commercial energy solutions.

Who does kathea energy sell to?

Kathea Energy distributes products and services to EPC's, resellers and installers and does not sell directly to end users. Founded in 1996, Kathea has a rich history of pioneering markets for selected manufacturers through focused and boutique distribution in South Africa and across the African continent.

Is kathea energy a Huawei commercial and industrial partner of the year?

We are incredibly honoured to announce that Kathea Energy has been awarded the prestigious HUAWEI Commercial and Industrial Partner of the Year for 2023! We would like to express our deepest gratitude to HUAWEI for their trust and support.

Colombia's plans to transition to green energy are complicated by rising gas deficits and growing concerns about an impending energy crisis. Credit: Ecopetrol. Colombia is transitioning towards green energy during a period of gas crisis. The country faces an imminent lack of gas and ongoing drought is reducing its ability to generate electricity.
