[44] Climate diagram for Brazzaville. Congo is located in the central-western part of sub-Saharan Africa, along the Equator, lying between latitudes 4?N and 5?S, and longitudes ...

Since the colonial era, Kinshasa, Congo's capital, has been one of the great centers of musical innovation. The country, however, was carved out from territories controlled by many different ethnic groups, many of which had little in common with each other. Each maintained (and continue to do so) their own folk music traditions, and there was little in the way of a pan-Congolese ...

The Republic of the Congo is a country in Central Africa is commonly referred to as Congo-Brazzaville to distinguish itself from its giant neighbour, the Democratic Republic of the Congo (Congo-Kinshasa).. One of the most sparsely populated countries in Africa, the Republic of the Congo is rich in diversity and landscapes, with more than 60 languages spoken.
