

The Alpiq Group generated operational EBITDA of CHF 302 million in the 2021 financial year, exceeding the previous year by CHF 40 million. Swiss power production did not reach the previous-year level, which was primarily due to maintenance work at the Leibstadt nuclear power plant being postponed and taking longer than planned.

At 31 December 2023, the Alpiq Group's management structure comprises the three operational business divisions of ... Director: #216;rsted A/S, Denmark; SCATEC ASA, Oslo First elected to the Board of Directors: 2019 Specific role on the Board of ...
