These batteries perform brilliantly in heavy duty applications and are capable of withstanding even long and frequent power cuts. The tubular batteries come in two variants, economy and classic, to suit distinct needs.

The tubular batteries are highly suited for high cyclic applications. The battery can support heavy loads and applications, way more than SMF (Sealed Maintenance Free) batteries. Leverage of tubular batteries results in low loss of water and low maintenance. Tubular batteries are more resilient and offer better performance and high durability.

Hausstrom tubular batteries are designed to deliver consistent and reliable power every time. their plates are engineered to provide higher efficiency while maximizing battery life, which also ensures that the tubular battery price stays ...
