

# Free photovoltaic panels on roof scam

Is going solar a scam?

It's likely a scam. While there are some government-funded solar programs for households that qualify, "going solar" isn't free. Honest businesses will tell you exactly how much it'll cost to get and install solar panels. Here's how to steer clear of the scams: Do some research.

Can you get free solar panels on a roof?

Companies offered to pay to lease your roof from you for 20-25 years and, in exchange, would install and maintain solar PV panels on it. You didn't have to pay upfront for the panels, and would also benefit from the free electricity produced by the system. But there are very few free solar panel schemes available now.

Are 'free solar panels' a scam?

Oops! We'll be right back. Sorry, something went wrong. Rest assured, we are working hard to fix the problem as soon as possible. In the meantime, try refreshing this page or visiting our homepage. If you've received an offer for "free solar panels," it could be a scam.

Are 'free solar panel health checks' a scam?

We're regularly contacted by customers, who have received an unsolicited call or letter from another company, offering them a 'free solar panel health check' or warning about their solar PV system being at risk of failing. This is a common scam.

Do Americans get free solar panels?

American homeowners might be eligible for federal tax credits for solar installations or state subsidies for solar energy, but not free panels. The U.S. government does not provide free solar panels, said a U.S. Department of Energy spokesperson. The department urges people to report scams to the .

Are free solar panels a good idea?

The Facebook post promising free solar panels links to another site with a disclaimer: "No Cost" means that you may not be required to put any money down at the time of installation if you qualify. Solar is not free, but it usually saves homeowners thousands of dollars more than the initial investment.

**ARE FREE SOLAR PANELS A SCAM?** In most cases, the offer of "free" or "no-cost" solar panels isn't a scam. The marketing of these offers relies upon the fact that you are not actually buying the solar panels or paying ...
