

Germany accure battery

What is accure battery intelligence?

Interested? ACCURE Battery Intelligence emerged from the largest European research group for battery systems at RWTH Aachen University. ACCURE combines cutting-edge research with a practical understanding of the industry's challenges to deploy, operate and recycle batteries safely and effectively.

Where is accure battery intelligence located?

ACCURE Battery Intelligence is located in Aachen, Nordrhein-Westfalen, Germany. Who invested in ACCURE Battery Intelligence? ACCURE Battery Intelligence has 5 investors including HSBC Asset Management and Capnamic Ventures. How much funding has ACCURE Battery Intelligence raised to date? ACCURE Battery Intelligence has raised

Will ACC build a battery factory in Germany?

ACC, the Franco-German initiative comprising PSA, Opel and Saft, has received funding notifications from the Federal Ministry of Economics and Technology (BMVi) and the state of Rhineland-Palatinate to start constructing a battery cell factory in Germany as part of the EU's Battery IPCEI.

When did accure battery intelligence close?

ACCURE Battery Intelligence closed its last funding round on Aug 22, 2023 from a Series A round. Who are ACCURE Battery Intelligence's competitors? Alternatives and possible competitors to ACCURE Battery Intelligence may include Plotly, Prevedere, and ClearCOGS.

Join us at Europe's largest networking event for the energy storage industry. The must-attend 9th Energy Storage Summit will shed light on how the industry is shaping European energy storage deployment, innovation, investment and policy, and aims to accelerate the industry by bringing key players together under one roof.. The European energy storage sector is at a pivotal ...

AACHEN, Germany and BOSTON, Aug. 22, 2023 (GLOBE NEWSWIRE) -- ACCURE Battery Intelligence, the leading provider of predictive analytics software to ensure battery safety, performance and extended ...
