Solar Surveyors required across the following area: LE CV NN CB LU MK GL OX SG SN RG BN PO SO Kent Essex London and surrounding areas.

In August, Finnish energy technology company Wärtsilä was announced as BESS supplier for Torrens Island. Although the initial duration of the battery system will be one-hour (250MWh), there is scope for it to be eventually expanded to four-hours (1,000MWh) if market conditions make the longer duration system economically desirable.
