

Hello solar reviews Indonesia

Is Hello solar a good company?

Hello Solar made it easy and explained everything clearly. I was a little worried at the start reading through the reviews but when seeing how long they have been in business and the amount of installs completed, I gave them a shot! Very pleased, happy with the process and would highly recommend to any of my friends. Good work. Show details

Did Hello solar install solar at my home address?

On the 22nd of November 2019, Hello Solar sent an electrician to install solar at my home address (refer agreement letter). On Friday the 10th of January 2020 at approx. 8 pm, I walked into my garage and noticed a large hole in my ceiling. The plaster had collapsed and landed on my Audi SQ5 which was parked in my garage.

Why should I choose Hello solar?

Found all the product information, installation time frame and inspection to be as stated. Excellent people to deal with, installation crew were punctual, professional and informative. Hello Solar assisted with all the paperwork and claims forms for Gov Rebates. Going to save money long into the future. Would highly recommend.

Is Hello solar in breach of contract?

The completed install was way overdue and Hello Solar were in breach of contract. No apology, just running away as fast as they could with exception of the tech support person. My best advice ... use anyone but Hello Solar.

Did Hello solar deliver what they promised?

Hello Solar delivered what they promised! From the time of acceptance of their quote, everything went through as scheduled. Installation crew were very professional, turned up on time and completed all works efficiently. Correspondence with the energy retailer were copied to us to keep us in the loop. Would not hesitate to recommend Hello Solar!

Who are the fastest growing solar companies in Indonesia?

One of the fastest growing companies in Indonesia, they currently have a portfolio of over 30 MWp solar projects, only 4 years into operation. They have completed more than 3000 residential solar installations to date. Based in Jakarta, ATW Solar also has a Solaristic Showroom powered by solar panels.
