Innova Energy Services was born in 2004 in Houston, TX, the Energy Capital of the world. We provide Pipe Repair, Pipeline Services, Power & Utility Services, and Technical Inspection & Testing services to Pipe Mills, Trading ...

RNG is a domestic energy source that can be captured from wastewater treatment plants, landfills, and large agricultural farms. Innova's team actively manages renewable natural gas (RNG) from the source to pipeline injection to end-user markets. We can help utilities and industrial companies identify RNG sources and capture environmental value.
