

Macao gse system

When will Macao implement the 'one country two systems' principle?

The years between 2021 and 2025 are set to be a significant period for Macao to implement further the "One country, two systems" principle, and seize fresh opportunities arising from national development.

How long has Macao been in Sar?

It has been 20 years since Macao returned to the motherland, and the "One Country, Two Systems" has been practiced in the Macao Special Administrative Region (SAR) for 20 years. How does Macao work with the policy and does the policy run successfully there?

Does Macao have a judicial system?

Lok explained that Macao has a high degree of autonomy and enjoys executive, legislative and independent judicial power, including that of final adjudication. The Macao SAR was established in accordance with the provisions of Article 31 of the Constitution, which ensures the legal basis for "two systems".
