What happened to the Malawi Young Pioneers?

Throughout the 1960s,70s,and 80s,the Malawi Young Pioneers were a prominent fixture in Malawi's political life. But,despite their ubiquity during those decades,there is very little literature available on this government-led group,and that which does exist focuses mainly on its disbandingin 1992. How did it first come in to being?

What is the Malawi Young Pioneers (MYP)?

Constructed initially as an extension of the Malawi Congress Party's Youth League,the Malawi Young Pioneers (MYP) would welcome young people between the ages of 14 and 28,and work to instil the values of Kamuzuism,his own personal philosophy which emphasised respect for authority and elders.

What is life like for a girl in Malawi?

In Malawi,a girl's life begins with unwarm welcome remarksand is not always given a chance to go to school. This is in contrast to a boy,who is treated as something very precious and believed to be born with extraordinary powers and destined to become a leader.

Does Malawi have a good quality of life?

According to the Human Development Index (HDI) report by the United Nations Development Programme,Malawi's HDI value improved from 0.325 in 1990 to 0.476 in 2015,representing a 46.4 percent increase. This indicates a marginal improvement in the quality of life in Malawi during this period. The HDI is a composite index of life expectancy,education,and income.

What is the average life expectancy in Malawi?

The average life expectancy in Malawi is 59 years(with 58 and 60 years for male and female respectively). Malawi is one of the developing countries characterized by illnesses and diseases,evidenced by the high mortality rate across all age groups. It is a low-income country with an estimated population of 17 million people.

What is the birth of a child like in Malawi?

In Malawi,the reaction to the birth of a child varies based on gender. If a child is born as a boy,the local village responds with ululations and joyful singing.
