Page | 6 Foreword I am pleased to present this National Energy Policy and Action Plan that will guide the development of the country's energy sector in the next five to ten years. The policy and action plan is an output of the review of the National Energy Policy and Energy Action Plan 2009 and is aligned to the Strategic Development Plan Framework 2003-2018: Vision 2018.

As one of the small island developing States (), it has played a significant role in international climate action. Under the Paris Agreement of 2015, the Marshall Islands was instrumental, along with other SIDS, in advocating strongly for the inclusion of the 1.5 C temperature goal.. The nation also submitted one of the first Nationally Determined ...
