Nitor's ability to earn a return on the shareholders' investment in the company is clearly reflected in our ROE. Our family of energetic people grew from 47 to 62 employees in 2023. Nitor started trading in 2020. Since then, our growth curve has been steep.

What makes Nitor unique?

At Nitor, we believe diverse minds hold great visions. Together, we can use this vision to bend future realities towards favourable outcomes. We work together with our customers to create a better world through digital success stories. In essence, our code comes to life with the people who use it.

With our holistic view of energy prices across time and location, Nitor was able to dampen price fluctuations and move gas to where it was most needed. Trading 24/7, Nitor provided liquidity continuously throughout the year, and as physical traders, Nitor took the delivery risk from suppliers in the West and moved gas across the continent

What we expect: You must be a strong team player. We expect you to have an executing mindset and get things done. Have a winning mentality. You have to do what it takes mentality and do not take no for an answer.
