

Omnis power europe Saint Barthélemy

Who is omnispower Estonia OÜ?

Note: Your Enquiry will be sent directly to Omnispower Estonia OÜ. OmnisPower is a European company with international experience that believes in Europe and invests in Europe. The first production site for making photovoltaic panels will be in Italy and will open in 2024, with a production capacity of 600MW per year.

Why did Omnis Power Invest in Europe?

Due to the energy crisis and the clear need for energy transformation, Omnis Power started investing in the European market. In 2024, the first photovoltaic module factory with a production capacity of 500 MW per year will be opened in Italy. The production lines will be very modern, fully automated, and robotic.
