Will Puerto Rico get \$325 million for solar & battery storage?

(AP Photo/Carlos Giusti, File) SAN JUAN, Puerto Rico (AP) -- The U.S. government announced Thursday that \$325 million in federal funds will be available for solar and battery storage installations across Puerto Rico as the U.S. territory struggles with chronic power outages.

Who offers a \$100 million fuel storage guarantee in Puerto Rico?

The guarantee was offered to Clean Flexible Energy, LLC, an indirect subsidiary of AES Corporation and TotalEnergies Holdings USA, Inc. Prior to arriving in Puerto Rico, Granholm visited the U.S. Virgin Islands on Tuesday, where officials announced \$100 million in federal funds to help buy fuel storage facilities.

Does Puerto Rico need new power generation infrastructure?

Puerto Rico must increase new power generation infrastructure significantly--on the scale of hundreds of megawatts--to stabilize the grid and alleviate current generation shortfalls, including rapid deployment of utility-scale and distributed renewable resources and significant amounts of storage.

Does Puerto Rico have a solar program?

To further assist Puerto Rico's energy resilience and clean energy goals, DOE today announced that on February 22, 2024, residents can apply for DOE's Programa Acceso Solar (Solar Access Program) -- a program designed to connect up to 30,000 low-income households with residential rooftop solar and battery storage systems with zero upfront costs.

Do you need power during a power outage in Puerto Rico?

"Households aren't the only place you need power during and after an emergency," said U.S. Energy Secretary Jennifer Granholm during a visit to Puerto Rico. The announcement comes amid widespread anger over outages that repeatedly leave Puerto Ricans in the dark.

Does Puerto Rico have a high electricity rate?

Puerto Rico's electricity rate is now 41% higher than the average U.S. rate. On Wednesday, the U.S. Department of Energy also announced an \$861 million loan guarantee to help build two solar photovoltaic farms in the southern towns of Guayama and Salinas.
