Who is Vikram Solar?

Vikram Solar Limited (formerly known as Vikram Solar Pvt. Ltd.) is a leading solar energy solutions provider, specializing in efficient PV panel manufacturing and comprehensive EPC solutions. With an international presence in 6 continents, the company is an active contributor in shaping the solar revolution across continents.

Is Vikram Solar the largest solar panel manufacturer in India?

Vikram Solar focus today is to establish a new and world-class 1.3 GW module manufacturing facility in Tamil Nadu. Towards this, they are going to invest ~5500 Cr and will take its total annual module manufacturing capacity to 2.5 GW, making Vikram Solar the largest solar panel manufacturer in India.

Are Vikram Solar panels a good choice?

Their models range from budget-friendly 340W panels to high-performance 715W modules. Efficiency generally floats from 20.2% to 23%, competing with that of top brands. The high performance and efficiency make Vikram Solar modules a great option for both residential and commercial solar systems.

Who are the directors of Vikram Solar Limited?

The last reported AGM (Annual General Meeting) of Vikram Solar Limited, per our records, was held on 20 September, 2024. The company has 6 directors - Gyanesh Chaudhary, Subramanya Krishnappa, and others. The Corporate Identification Number (CIN) of Vikram Solar Limited is U18100WB2005PLC106448.

How can Vikram Solar contribute to achieving Aatmanirbhar & energy-rich India?

Creating climate for change through thought leadership and raising awareness towards solar industry, aiding in realisation of Aatmanirbhar and energy-rich India. We at Vikram Solar are focused towards contributing to national and global solar transition targets.

What can Vikram Solar surprise you with?

Let's explore what Vikram Solar can surprise us with. Made with 144 half-cut cells, Somera offers power outputs between 435W and 465W, perfect for smaller rooftop installations. While not the powerhouse of the market, its efficiency of almost 21% ensures you get the most out of each ray of sunshine.

Vikram Solar - About the Company. Vikram Solar is one of the largest solar module manufacturers in India with an annual production capacity of 2.3 GW. And in terms of operation capacity and production of solar energy it is India's largest module manufacturer of photovoltaic panels.
