Serge ist eine klassische Diva und hat generell immer Recht. Er ist seit 20 Jahren selbstständig als (selbsternannter) Star-Coiffeur tätig. Dementsprechend sind grosse, unpersönliche Coiffeur-Ketten sein größtes Alptraum.

I started investing in Serge Energy two years ago, and this year I am supposed to receive my payment. I am in exactly the same situation regarding the trees, and it sounds too good to be true, so I am a bit skeptical.

energy through safe, responsible practices that help people live better lives. These principles that have served as the foundation for our Company have led to consistent fundamental business growth and value creation and have also positioned us to excel as we continue to hone our focus on ESG leadership and related reporting.

5:00 PM; PROVIDENCE, R.I. (WJAR) -- Rhode Island Energy is preparing as a storm is forecasted to hit Southern New England Wednesday. Officials said they have secured 180 ...

Serge Energy's main focus is the production and sale of renewable energy within the growing European market. Our strategy to position the company and its operations in Finland have successfully put us and our clients' investments right in the heart of the demand for sustainable energy in Europe.

Production from Southeast Saskatchewan (Surge Energy Inc.) SK The Southeast Saskatchewan (Surge Energy

Inc.) SK conventional oil field recovered 2.57% of its total recoverable reserves, with peak production expected in 2024. The peak production will approximately 4.08 thousand bpd of crude oil and condensate and 3 Mmcfd of natural gas.

Roughly two years ago I found a really nice investment opportunity (guaranteed minimum 10% annual ROI over the course of 5 years) in wooden pellets through Serge Energy, a company based in Finland. I was a bit skeptical, so I did a ton of googling around and decided to eventually go for it. The amount I invested was fairly small, lets say 5k.
