

# Singapore sun africa company

Who is Sun Africa?

The sun's power knows no bounds - and neither do we. Sun Africa's sister company, UGT Renewables, is focused on delivering clean energy solutions throughout Eurasia and Latin America. With our combined strength, we're changing the world for the better - one utility-scale solar project at a time.

How many Singapore companies are there in Africa?

More than 100 Singapore companies operate in 40 countries in Africa, in sectors ranging from manufacturing and logistics to agri-commodities and urban solutions. One such company is engineering-solutions provider Nivesal, which develops industrial projects in developing countries.

What are Singapore firms doing in Africa?

He added that the hundreds of Singapore firms operating across 40 countries in Africa are in a range of sectors including agribusiness, manufacturing, transport and logistics, and the digital economy. Mr Jayakrishnan said the digital economy is a very important growth area, as digitalisation has been transformative for the African continent.

Should Singapore companies venture abroad?

AFRICA may not be top of mind when Singapore companies look to venture abroad, but the potential of the continent is drawing more interest. Enterprise Singapore (EnterpriseSG) declined to cite figures, but said that it had already run more projects in Africa as at the end of August than in the whole of last year.

How much money does Singapore invest in Africa?

Trade between Singapore and Africa grew 15 per cent each year between 2019 and 2022. As of 2021, Singapore companies had invested over S\$32 billion (US\$23.5 billion) in the continent. If playback doesn't begin shortly, try restarting your device. Videos you watch may be added to the TV's watch history and influence TV recommendations.

Is Africa a good place to invest in Singapore?

In particular, Africa's appeal lies in its large, young population and its rich natural resources; it also has growth potential in sectors such as manufacturing, digital solutions and logistics - areas where Singapore companies can offer expertise, Jayakrishnan said.

It was a remarkable experience at the Africa Singapore Business Forum 2023. This 2-Day conference fostered key conversations around the efforts and strategies necessary to strengthen business and trade relations between Africa and Singapore. The forum created the perfect avenue for industry leaders, captains of
