

Smart photovoltaic bracket cold bending machine

We are a manufacturer of R& D, manufacture, install photovoltaic/solar brackets, which is affiliated to Hengxing Group. Our group has its own Hot Galvanizing Plant, comply with the national ...

Moreover, the PV Mounting Bracket Roll Forming Machine can also produce various structural components for solar energy systems such as brackets, rails, clamps, and connectors. These components are necessary for the assembly ...

Load a bending plan, set up the machine, and start bending - with the BySoft Cell Control Bend software, this dream comes true. The bending process can be controlled conveniently through a touch screen. And best of all: You don't ...
