When is Switzerland's largest solar & storage trade exhibition?

Join us in Zurich on 17th &18th September 2024,for what's set to be Switzerland's largest solar &storage trade exhibition. The event will convene key players from across the energy value chain,alongside pioneers and disruptors,to present the technology and service solutions essential for driving change in solar and storage. Event Highlights:

Is Switzerland a good place to invest in solar PV?

Switzerland still has a largely unexploited solar PV potentialin already-built-up areas. An economic optimum could be reached if fewer than two out of three roofs are covered. The next step is to determine which roofs are most suitable.

Why should you attend Solar & Storage?

“Solar & Storage is a highly-professional and very well organised event. It brings together industry experts, thought leaders and friends into one place. It enables us to network, educate and create many happy memories together. The event is appreciated by all who attend.” “The event is simply the best in the market for Solar, Storage and EV.
