

Health care system in Saudi Arabia: an overview M. Almalki,<sup>1,2</sup> G. Fitzgerald <sup>2</sup> and M. Clark ABSTRACT  
The government of Saudi Arabia has given high priority to the development of health care services at all levels: primary, secondary and tertiary. As a consequence, the health of the Saudi population has greatly

The politics of Saudi Arabia takes place in the context of a unitary absolute monarchy, along traditional Islamist lines, where the King is both the head of state and government. Decisions are, to a large extent, made on the basis of consultation among the King, the Council of Ministers, Islamic scholars (until the mid-2010s), tribal leaders, and other traditional elites of the society.
