Solarcells est le premier producteur de panneaux photovoltaïques au Luxembourg, basé à Hollerich. Nous fabriquons des panneaux de haute qualité avec des composants européens, certifiés IEC, offrant des puissances supérieures à 400 Wc. Notre gamme comprend la version Performance et la version Design („Full Black“), adaptées aux ...

Sunbeam Nova Symmetrical is a symmetrical ("east-west") system, with two solar panels per position at angles of 10 degrees. This design results in even greater roof utilization (kWp/m²) and maximum yield (kWh/y), at lower cost and shorter installation time per panel.

Sunbeam. Sunbeam is een Nederlandse fabrikant, welke is opgericht medio 2011. Het bedrijf is uitgegroeid tot een van de meest succesvolle leveranciers van montagesystemen voor zonnepanelen op platte daken, dit op basis van kwaliteit, service en installatiegemak.
