Quels sont les avantages d'une installation solaire avec batterie ?

Mon installation avec batterie est ma 2^{ème} installation solaire avec Sunzil. La 1^{ère} m'ayant pleinement satisfait tant au niveau matériel que service c'est pour cette raison que je n'ai pas hésité à reprendre chez eux. Grâce à ma nouvelle installation, je suis quasiment autonome.

Many solar pool heating systems will employ the existing pool filtration pump to supply flow to the solar collectors via a manual or motorized diverter valve. In these configurations the water will flow through the solar collectors after exiting the filter before returning to the pool instead of going to the pool directly.
