

The Yohako Pure Sine Wave Inverter 15kVA is a powerful and reliable energy solution, ideal for both residential and commercial use. Designed to provide clean and stable power, this inverter ensures the efficient operation of sensitive appliances and electronics.

Yohako"s Lithium Battery is the smart choice for lasting power and peace of mind. Save Money and go Green with the Best 15kwh Lithium Battery in Nigeria. Less reliance on the grid: Store extra solar energy and reduce your need for traditional electricity. Built to last: The Yohako Battery is tough, and designed to handle harsh weather conditions.

The textile industry in Tajikistan is founded on centuries-old customs that date back to the Great Silk Road. The complete value chain, which includes the extraction of raw materials, spinning, weaving, and the production of finished goods, was coordinated by the middle of the 20th century. Over the course of the twentieth century, Tajikistan's monoculture of ...
